<p>As a resident of Marsden, I whole heartedly support this new business.</p> <p>I see many of the comments and issues relate to noise and opening hours, which seems very confusing considering other businesses can open later and serve alcohol and food. These businesses being either a few doors down or across the road.</p> <p>A small restaurant/cafe seems a very unlikely place to have over drinkers and rowdy customers. The smell of food will be no different from the other premises.</p> <p>Later openings will help a business succeed and flourish. This is simple business sense. It brings money in to the business and brings a community together.</p>
