<p>The current restriction on operating hours is wholly unfair, considering Oi Dumplings location on the main street of Marsden surrounded by multiple other establishments which are allowed to operate until late and which don't have a negative impact on the residential properties surrounding - including two pubs! The nature of business at Oi Dumplings is to provide great food and atmosphere to our lovely village and it's a credit to the owners/operators and to the village itself. It is not to the detriment of its residential neighbours, nor would its patrons. Oi Dumplings is not requesting to hold all night raves, they are requesting a reasonable adjustment for a dining establishment, to completely unfair restrictions on operating hours to allow their business the best opportunity to succeed, and for the public to be able to enjoy the food they offer. It seems the only objections to this wonderful cafe/restaurant is from a neighbouring shop owner who has nothing better to do than complain about everything!</p>
