<p>I am a resident local to Marsden and am in full support of extending hours for the cafe. Presently, under existing operating hours, only a small amount of residents can take advantage of the products and services of Cafe Oi. Extending opening times and allowing the business to fully function would mean that the village can benefit from the cafe as a new venue. Given the nearby neighbouring businesses also serve alcohol (namely Peel St Social and Riverhead Brewery) it makes sense for Oi to have the same advantages and be able to properly participate in the village's social offering. Cafe Oi will offer residents and visitors to the village a new space to visit and utilise and add to our community, which is bound to benefit other businesses through increased footfall and visibility. Cafe Oi's location on Peel Street means the request for extended hours and licensing is sensible and of minimal impact: the street is already home to a variety of premises which offer food and alcohol past 6pm, and so Cafe Oi will be in-keeping with similar premises nearby.</p>
