I believe it is unfair and unreasonable for a lovely restaurant such as Oi to have to close at 6pm. It is a gorgeous addition to the village, smart, great food and offering something really special for both Marsden residents and visitors alike. There are many other pubs and eateries in the village that don't have these restrictions, so it does not seem reasonable to isolate Oi in this manner. We need to support young and exciting, independent businesses and help them to thrive in a challenging economy.
