<p>I would fully support this application, Marsden is a thriving community and its residents fully support the retail and hospitality establishments in the village. Personally, my family & friends would love to be able to eat at this new restaurant in the evenings. Also, with the levelling up funding to develop the village centre mill into accommodation in the coming years Marsden will be even more capable of sustaining another restaurant, which is positioned in the centre of the high street amongst other establishments that are permitted to open in the evenings.</p>
