| <p>I fully support the application. The ladies from Oi Dumplings have fully supported the Community Café and food bank giving items regularly for other to use. They should be able to run their business as they choose fit and in line with other similar businesses on the high street. They are community minded and will be an asset to the village. It is hoped in the future, that excess food waste will be donated to the community café to help feed those that struggle. Please approve their application.</p> <p>Regards</p> | |
