Do you wish your comments to be published on the website anonymously?	Yes
I think this is a great addition to Marsden. The owners have run a successful business nearby and have chosen to remain in the area and grow. The clientele are not likely to cause a disturbance to neighbours, or any other type of negative impact. I'm sure they also follow all regulatory requirements for ventilation, so I can't see them being a nuisance to any of their neighbours in that regard.
