<p>This wonderful cafe/restaurant brings vibrancy to the village and something different. These girls have been in the village a while now in a different location and Oi is not the sort of place where there is loud noise or disturbances. Quite the reverse its a calming atmosphere.</p> <p>They need to open after 6 like all the other establishments around them to be successful. As a shop owner in the village these establishments bring footfall for the rest of us shopkeepers and we welcome them.</p>
