I think this is unfair for their business. We want our local villages and town to thrive with social life, networking and for independent businesses to be given a fair chance of survival. Shutting at 6pm is not fair. With a majority of people working within a 9-5, parents who have school children in school in the day and the way we are used to socialising with others it is usually after 6pm to go to a restaurant to do so. They are a Vietnamese restaurant. They are not a nightclub. This is a place to dine, have a couple of drinks and socialise with others in the community. It feels unfair to have one rule for the pub and for bars but not for a small business restaurant.
