Supporting the growth of oi dumplings to be able to open after 6.00pm. They are surrounded by other great businesses which can open after this time and cause no detriment to the people living in the surrounding area and adds positive value to other businesses with people wanting to visit for the food and have a nice drink alongside it and see what else marsden has to offer too. It doesnt make sense that they are not able to open past 6.00pm and they loose trade and people wanting to visit who work 9-5 are really wanting to go but can't get there in the times the restaurant is open.
