<p>It seems incredulous that this business is being penalised unfairly in comparison to other businesses in the close proximity. It is located on the high street directly across the road from a pub. It is a couple of doors down the street from another licensed restaurant, which is allowed to open in to the evening. It is also a couple of doors up from another pub.</p> <p>This business would be a real asset to the village high street, bringing variety and job opportunities for locals.</p>
