<p>I am fully in support of this application. This business is just across the road from The Riverhead Brewery Tap, a very busy pub, which does not attract complaints as far as I am aware, and is also close to Peel Street Social, an asset to the village. I am slightly acquainted with the owners of Oi and know that there is a strong support for them from Peel St Social and The Riverhead; these venues all see that their successes are beneficial to each of their individual businesses and to the community as a whole. I am 65 years old, have lived in Marsden for 25 years and have never seen it as diverse and inclusive as it is now, which is something I welcome and celebrate. Oi is proposing to be a cafe/restaurant which is able to serve nice wines with meals, and be able to open during the hours when people want to dine. This area at the bottom of Peel St is now the most lively, friendly, welcoming part of the village and I know that Oi will be a welcome addition to that. I might add that in all my 25 years here i have never seen the complainant in any other business premise than their own. Thank you</p>
