<p>The location of the premises is in the heart of the village, surrounded by establishments that have later licences. There is no reasonable sense that this premise cannot be open later.</p> <p>The nature of a restaurant is also much quieter than a bar / pub. There is a pub directly opposite with outdoor seating. I do not believe that the overall noise of the area will increase at all.</p> <p>The premise will also really add to the nighttime economy of the Colne Valley, and help Marsden continue to be a thriving place to live and work, exactly what we need in this area rather than loosing out to nearby cities.</p>
