<p>Having moved to Marsden in the last 3 years we did so because of the wonderful community and village Center. Since we have lived here we have seen only improvements with more eateries and amenities from Peel St Social and the development of the River Head Tap to the new barbers.</p> <p>These establishments means a more bustling, friendly and economically viable village. Creating more local jobs, giving villagers more choices and bringing much needed visitors from outside marsden is only a good thing.</p> <p>Small matter of smells (which can easily be addressed) should not be a barrier for economic growth.</p> <p>In my day job I support small business growth and frankly they have enough barriers to success, please don't make a simple thing like a license extension a barrier and let's put Marsden back on the map.</p>
