<p>Peel street is an important economic hub for the village of Marsden, bringing in visitors from other areas as well as providing employment for local people. From the turnover of new businesses in the area, it's clear that it can be touch and go whether new businesses survive and it's therefore important that we provide an environment for new businesses to have every chance of success by allowing them to open during hours that will maximise their custom.</p> <p>Oi dumplings is likely to attract families, couples and groups going out for a civilised meal, accompanied by a drink - it is unlikely they are the kind of clientele who would drink to excess and make unreasonable noise around the premises, particularly compared to the nearby Riverhead.</p> <p>I am therefore offering my support for the extension of opening hours. If the 11pm closing is seen as too late, when considering the impact on nearby residents, then I would hope a compromise can be reached that allows Oi dumplings to open until a reasonable time in the evening, rather than the current 6pm, allowing people to enjoy an evening meal and help Oi dumplings achieve its business plan.</p>
