<p>I am in full support of this independent business being allowed to extend their hours to a sensible evening close of 9pm. Their food has achieved notoriety and even awards, it would be a shame to stifle them when they bring passing trade to all the other local businesses on the high street.</p> <p>Their previous premises was only round the corner so unless there were significant issues reported related to their opening hours there, it would seem very odd to expect any negative outcome in this new, and arguably more suitable location on the main high street. I am looking forward to enjoying civilised meals there with family and friends.</p>
