<p>I would like to support the application for the extended opening hours. Many people living in Marsden are now working families and having the option to eat on a nationally recognised restaurant in an evening would be most welcomed. In order to keep Marsden thriving we need businesses like this - not many people will have the opportunity to use it if it has to close at 6pm. Day times cafes open and close frequently in Marsden - Mozzerellas has always had the option to open late and having a choice of venue with exciting new food is essential for the vibrancy of this small village. I whole support their application in all its forms</p>
