<p>I'm writing to show my full support for extending the opening hours and granting a license to Cafe Oi.</p> <p>Located right in the heart of Marsden, Cafe Oi is surrounded by other licensed places that stay open past 6pm without any noise or disturbance issues, and as a person who lives in the centre of Marsden, I have never had any issues relating to this planning matter. This is a restaurant where people come to enjoy a meal, not just to drink, which will greatly add to the vibrancy and sustainability of the high street. This application will also positively impact the character of the area, and attract visitors, similar to the surrounding establishments.</p> <p>Please consider this application, to allow Cafe Oi operate like its neighbours which set a positive precedent for the planning issues raised. I'm fully behind the extended hours, as this will positively impact the area, and continue the sustainability, and allow local business' to remain economically viable on Marsden high street.</p>
