My husband and i love eating out in Marsden, it is a fab village with lots of different eateries and bars. Because of the licencing hours that have been given we would be unable to visit Oi, because our working day finishes past that. So i do feel a 6pm closing time is silly when all the other business are open till alot later. It wouldn't make the business viable to stay open,there customer base is of the later opening times. So please re think the decision and put it in place with the other businesses so this fab team can enjoy bringing something special to Marsden.
