<p>I would like to express my view on the business in question, I feel strongly that this restaurant should be able to serve delicious food into evening hours, considering there are already many other establishments in marsden that already have this ability/Access and cannot see any reasonable reason as to why this lovely business should not have this option since they have moved location when they already had this option, it will bring further trade into the marsden village which rely on us as consumers to keep the village going! Further more, I personally am more likely to visit other establishments, such as having a lovely meal at oi then head across the road to have drinks at the local pub! This makes me question our local councils judgement and sensibility to have revoked this option since the business has moved location, with what reason?</p>
