<p>Oi Dumplings (in the former Mario's Diner building) is surrounded by bars and other eateries that are allowed to trade into the evening. Why should they be any different?</p> <p>Their evening business will not only give us locals another opportunity to eat out, but it will bring trade into the village, visitors to the village and will therefore ultimately support other local businesses and boost our local economy.</p> <p>As a resident of Marsden i fully support their application to trade in the evenings.</p>
