<p>I am not a resident of Marsden but in the last few years I have visited more often, primarily due to fantastic food venues such as Oi. I don't understand the logic of refusing a later licence on a commercial street with a pub just opposite. I believe having to close at 6pm will be detrimental to the business, customers who don't live in Marsden or work full time hours will be limited as to when we can visit. I was so excited about the cafe opening and am disappointed that the owners are having these issues when they are obviously an asset to the village.</p>
