<p>As there are other establishments similar to Oi cafe within meters of them, opening beyond 6pm, it seems churlish not to grant a licence to them to open beyond 6pm. This business will be an asset to the village in as much as it will bring visitors to the village, expand the food experiences on offer, to both visitors and locals bringing a much need boost to the local economy. The owners very much want to be part of and partake in Marsden community events and granting a licence for their business to open beyond 6pm would give them much greater scope to do this.</p>
