<p>Hello!</p> <p>Please grant them the permission to extend their hours. Realistically, this restaurant would not be a viable business unless they can open past 6 pm. Marsden is now a commuter town with access to Leeds and Manchester and much of their customer base will not be able to patronise the restaurant with its current operating hours.</p> <p>It is now more important than ever to support small, independent businesses run by young people if this area were to have a future. We need more choices in the village and their concept is very welcome! Also, speaking as a woman of colour, sometimes I don't feel comfortable going to a pub alone at night. OI Dumplings is a casual, woman-run, food-forward venture. They deserve a chance too.</p>
