It seems non-sensical that Oi Dumplings cannot open beyond 6pm when there are other pubs and eateries and entertainment venues on the same street which open into the night. Marsden is a wonderful village, being able to visit and enjoy an exciting choice of food and entertainment is part of the attraction and contributes to its vibrancy. Civilised eateries like Oi are an exciting experience and likely to bring a desirable clientele, both local and otherwise in. The food they sell is arguably better suited to an evening menu than a daytime one for the UK customer and they are only wanting to extend their opening hours til 9pm us earlier than many others. I am therefore 100% in support of their application to open beyond 6pm.
