<p>Marsden has a diverse and viberant community. The applicants choose Marsden to open there business in and have become an established part of the business community. By having yet another great place to eat out in Marsden can only benifit the village. The venue isnt a pub/club its a resturant owned by responsible people who deliver tasty diverse food. Therefore, only creating healthy competition, contributing to the economy and helping supporting the fact that Marsden is a vibrant village. Councillors please dont put off people who want to invest in Marsden.</p>
