<p>I object to a license for these premises for longer opening hours . This is an area where there are private flats who could be and most probably be disturbed by noise in the evenings disturbing the private lives and choices of quiet evenings. When the present owners purchases 7 Peel Street I think they would be aware of the opening hours and that later openings with a drinking licence will increase noise in the area and disturbance to residents. Applying for extended hours of opening after taking over was a choice of theirs . A calculated risk which people can support or opposed. I oppose the extended hours of opening.</p>
