<p>Having watched all the hard work over the last few years that the team at Cafe Oi have put in to their amazing business, it is with utter bewilderment that they now are being severely limited in making Cafe Oi the true success that it deserves to be.</p> <p>Having to shut at 6pm just when people are coming into the village in search of something delicious to eat seems utterly ridiculous and totally unfair and detrimental to this fantastic award winning establishment.</p> <p>The new restaurant would only add value and more variety to the wonderful atmosphere already found in Marsden High street and act as another wonderful example of what hardworking and imagination can bring from independent business to our local economy.</p> <p>Please extend their licence to match the other food establishments in the village.</p>
