<p>I would like to add a comment in support of increased opening hours for cafe oi - the nature of the business relies on evening trade, the current opening hours the opportunity for customers to dine is severely limited as most people will be working. It makes no sense that this restaurant has its hours so limited when there are 4+ other premises open much later, some of which are open exclusively evenings.</p> <p>Refusing to allow what is considered normal restaurant operating hours will not only result in the potential closure of cafe oi, but will also send a message to other business owners that Marsden is not a viable town to operate in</p>
