I wholeheartedly support the application to extend the opening hours of this new establishment. Whilst not residing in Marsden, I spend a fair amount of time in the village and surrounding countryside.

Oi Dumplings certainly offers something new to the village and the town of Huddersfield, restricting a newly established hospitality business to hours no later than 6pm is frankly ridiculous.

Kirklees claims it wishes to attract new businesses and help its high streets thrive, not allowing Oi to trade similar hours to others on Peel Street does not support that notion.

In current climate, independent businesses should be supported, they stimulate the local economy by creating employment and building community spirit.

Granting this application will have no adverse effect on Peel Street.
