I support the application for variation of opening hours for Cafe Oi - the business has been open for some time with limited hours. The option to stay later in the premises and have an evening meal would be beneficial along with the choice of other restaurants in the area. Restricted opening hinders the progress of the business and the choice of residents / tourists / visitors to the area. Having visited the Cafe a number of times it is a great venture but a shame it has restricted hours. I support the application to extend the opening times / licensing restrictions for this business.
