<p>I am writing to express the injustice I feel not allowing Oi to open after 6pm in the evenings. Marsden is a thriving village with a number of independent shops, cafes and eateries which are allowed to trade in the evenings. This attracts many folks who work during the day and want to eat out. Oi have invested so much time and energy creating the restaurant, it will be so popular but in restricting their trading hours it is alienating people who want to go but work during the daytime and for them to fully expand their business. Surely given that all the other businesses can open it makes no sense to treat them differently. Please reconsider and allow them to open in the evenings, give them an equal opportunity to be successful & allow everyone to enjoy access without the restricted opening hours.</p>
