<p>Marsden is in need of modern businesses; it's clear that this business has a viable business model, in line with other establishments in the area along the street. This should be supported as it's increasing the amenities in the area, increasing employment and bringing much needed income to Marsden. I do support their application to vary their hours.</p> <p>Please note, In line with the General Data Protection Regulations (GDPR) please remove my name, e-mail address, telephone number and signature prior to publication.</p>
