| <p>It is difficult for small businesses to survive in the current environment and an award winning business such as Oi dumplings should be fully supported. I believe the restriction in their opening hours to 6pm, was based on a noise objection. There are several pubs, restaurants and take-aways operating in the centre of Marsden that are open in the evening so the small space occupied by Oi dumplings is not going to increase noise in the area significantly. It is a dining establishment where alcohol is consumed in moderation to accompany food so does not attract a rowdy clientele (unlike for example the ale trail visitors previously attracted to Marsden). Please allow this restaurant to thrive by allowing them to open during evenings.</p> |   |
