| <p>I write in support of the application to extend opening hours for Oi Dumplings, at 9 Peel Street, Marsden.</p> <p>As a resident of Marsden, I wholeheartedly support the regeneration of the village and efforts by both business and individuals to bolster the local economy, all of which is in line with Kirklees' Local Plan and supporting strategic documents. The thriving nature of Peel Street is a testament to the strong sense of community spirit in Marsden, which flies counter to the disappointing and pernicious complaints submitted in relation to Café Oi.</p> <p>Having reviewed the application and planning guidance, I am unaware of any obvious reason why the application to extend opening hours should not be granted. I draw the Committees attention to the neighbouring businesses of a similar nature, all of which operate without significant or obvious incident, and urge that the application is supported.</p> <p>I have also copied this letter of support to Cllrs Addy, McLoughlin and McCarthy, and trust that they will support the application as they are able.</p> | |
