<p>I fully support Oi Dumplings / Cafe Oi's application. This company have already contributed positively to the community of Marsden. This is an establishment that offers a unique food offering to the village, specialising in South East Asian cuisine as well as a range of lovely ice creams, tea, American/Italian coffee and Vietnamese coffee - great range of food and drink! My family and I have visited twice and tried out the ice cream as well as the dumplings and salads. This is a place that caters for all types of people from families to small groups and individuals that may be seeking out new types of international cuisines to try out. The extended opening hours I do not think will contribute negatively in Marsden village - they are not the sort of place that will be focusing on alcohol sales. This is first and foremost about excellent quality food where customers can choose to have alcohol alongside their meals or not. I hope that they can extend their opening hours to the evenings.</p>
