

Consultation Response from KC,
Trees

2024/91706 21-23, 25 and 27 Round Ings Road, Outlane, Huddersfield, HD3 3FQ

Discharge of details reserved by Conditions 3. (bat survey) 7. (materials) 11. (charging points) & 14. (Arboricultural Method Statement) of permission no 2024/90115 for Alterations and renovations to existing dwellings 21/23, 25 and 27; erection of single storey extensions to existing dwellings 25 and 27; partial dismantling and re-building of detached barn; conversion and extension of detached and attached barns to form one dwelling; widening/improvements to existing access road, formation of parking and turning areas, together with hard and soft landscaping (Listed Building)

Date Responded: 05/08/2024

Responding Officer: Jack Dunn

Responding Ref:

The submitted arboricultural method statement sufficiently details the levels of tree protection during construction. I am confident that any retained trees will be protected and that any digging within RPA's is done in a sensitive manner that has minimal impact on tree roots.

No objections and happy for the conditions to be released.
