F.a.o.Planning Contact Centre.

I am writing to object to the above application on the grounds of the total lack of Kirklees Council to control the safe, legal passage of vehicular traffic through Manor Park. The constant passage of traffic to and from John Cotton's factory and as a shortcut to avoid the traffic lights at Stocksbank Road causes concern. The additional traffic likely to be introduced if this application is approved will possibly lead to eventual accidents. These concerns lead me to strongly object.
