**REPLACEMENT CYCLE STAIR TRACK**

Replace existing cycle track with one of a 100x100mm steel angle section as per detail. Installed tight up to wall/skirting on top of existing blue beam. Surface to be coated in anti slip coating such as Creative Resins '2K Anti Slip Paint for Metals/OK Acrylic Metal Matt Paint - 8018' or similar approved.

Section to be secured using suitable fixings into the beam flanges.
