Date Of Birth:			
Ethnicity:			
<u>Nature Of Request</u>			

Action Required

Further Information

Planning application 2024/62/91814/E I am writing in support of the above application at Soureby Way Close. I am having to email as the system is not recognising my post code despite the house having been built since 2016 . I do hope this likely system issue is not impeding others trying to make comments
