<p>As a resident of Soureby Cross Way I'd like to support the application as it has been there for three and a half years and I have never experienced any parking issues as cars park down the small road leading to the farm.</p> <p>There are more issues created by bad parking of local residents e.g vans parked on corners of the street.</p> <p>This is a welcome addition to our local Community and a facility valued by local people!</p> <p>We have a number of dogs living on Soureby Cross Way which create a certain amount of noise for residents but I have never had any issues with noise from the dog field it's generally very quiet and appears to be well managed.</p>
