Type of comment: An objection	
Do you wish your comments to be published on the website anonymously?	Yes
As with any school, parking is an issue. One of my concerns is where the properties vehicular access will be and will it make it even more dangerous for pedestrians. Timing of the works, when will it take place, how long will it last, can the safety of pedestrians particularly children be assured. Fixby is becoming more and more built up with houses that don't suit the area. Yet again trees are being lost to building works.
