The planning application should be rejected - already Old Lane can not deal with the amount of traffic that already used this road if another 18 houses are erected this is going to cause even more daily issues with buses /vans / deliveries/ cars that get stuck. We have been lucky not to have an emergency when Old Lane becomes grid locked because of traffic . Also the green area is used by locals and is almost a wildlife Sanctuary foxes, owls and deer are amongst many wildlife which frequents in the green area. It would be devastating on the wildlife if this area was developed.
