I commented on the previous application, however it is clear that the amendment has completely failed to address this serious issue. The proximity of plot 10 to the rear of my property at 77 Allen Croft directly violates the law which states that there must be a minimum of 21 metres between habitable rooms. If these plans go ahead as drawn then the property on plot 10 will be able to see directly into our kitchen, living room and one of our bedrooms. We are entitled to retain privacy in our property under the planning laws. This issue MUST be resolved before these plans are passed.
