<p>Access will cause traffic congestion and is already tight on the surrounding roads. The village is already being over developed. It will effect the privacy of surrounding properties as well as impact light and views of surrounding properties detrimentally. The wild life is also a consideration it should be left as a green space that is also beneficial to the community. Another new estate will spoil the period character of the village and cause crowding that the village does not have the space or facilities to support.</p>
