<p>Access is not suitable and will cause traffic and congestion on narrow roads that are already tight and at capacity.</p> <p>The dwellings will infringe on privacy of surrounding properties which should be considered.</p> <p>The dwellings will impact light levels and views of surrounding properties which should not be ignored.</p> <p>The dwellings will spoil the character of the village.</p> <p>The village is already being over developed and becoming crowded it does not have the infrastructure or facilities to sustain this level of development.</p> <p>The space should be left as a green space and be used to benefit the community as a whole.</p>
