<p>I think this development is a great addition to the area, the contractor is a supporter and contributor to the local area.</p> <p>It will provide better footpaths, car parking and lighting and making the area safer.</p> <p>The developer has listened to the needs of the community and taken this onboard within the scheme.</p> <p>The area has always been an unused and uncared for dumping ground.</p> <p>At least with the new development it will be a nicely maintained area.</p>
