<p>I believe this is not a suitable area for a children's residential home. Considering the amount of police presence and anti social behaviour already occurring in the surrounding streets this is already having a negative effect on neighbouring properties and families. The property is joined to three other properties and this will have a negative impact on them should noise and disruption occur.</p> <p>Parking is already an issue with cars often parking outside neighbours, having staff working there will add to this. Children require a positive environment and at the moment this street and area is not appropriate.</p>
