						<p>Drawing based on Ordnance Survey and / or existing record drawings - design and drawing content subject to Site Survey, Structural Investigations, Planning and Statutory Requirements and Approvals.</p> <p>Authorised reproduction from Ordnance Survey Map with permission of the Controller of Her Majesty's Stationery Office. Crown Copyright Reserved.</p> <p>SMK Architecture Copyright</p> <p>This project is subject to CDM legislation. A planning supervisor should be appointed by the client. SMK Architecture's role on this project is that of Principle Designer as defined in The Construction Design and Management Regulations 2015. The design has been prepared with regard to the need under CDM to specifically consider risks to health and safety. CDM affects the contractor's normal health and safety obligations when undertaking constructional operations. You are reminded of your duties under CDM and particularly to consider matters related to any Health and Safety Plan prepared specifically for this project. Professional advice should be sought if you are in any way unclear as to your obligations under CDM.</p>	<p>1. This drawing originates from CAD file: 198_100</p> <p>2. Drawing based on original survey executed by CSL Surveys</p> <p>3. This drawing is not valid for construction unless the drawing status is indicated 'Approved for Construction' and the drawing No. is Prefixed with the letter 'C'.</p> <p>4. Do not scale from drawings</p> <p>5. All dimensions are in millimetres unless otherwise stated.</p> <p>6. All dimensions shall be verified on site before proceeding with work.</p> <p>7. Any alterations and / or omissions to the proposed design found not to be suitable shall be notified immediately before proceeding with work.</p> <p>8. This drawing is to be read in conjunction with all relevant structural, mechanical and electrical information. Recipients of drawings are to ensure that they are working to current revisions and that the revision has been approved for construction before working commences.</p> <p>9. Please note that any deviation from this drawing may invalidate statutory approvals and will invalidate PI insurance.</p> <p>10. All work to be to the satisfaction of the Building Inspector. Any changes to be notified to SMK Architecture in advance of carrying out the work.</p> <p>11. This drawing is to be read in conjunction with all SMK Architecture's drawings, schedules and specifications.</p> <p>12. If this drawing exceeds the quantities taken in anyway, the designers are to be informed before the work is instated.</p>			Mr Harvey	DESIGNED	CHECKED	A1
