

Planning (Listed Buildings and Conservation Areas) Act 1990

REFUSAL OF LISTED BUILDING CONSENT

Application Number: 2024/65/92023/W

To: I Anjam
Alice In Groomingland
7, Beast Market
Huddersfield
HD1 1QF

For: I Anjam

The KIRKLEES COUNCIL hereby give notice that LISTED BUILDING CONSENT has been refused for the execution of the works referred to:-

LISTED BUILDING CONSENT FOR ERECTION AND INSTALLATION OF
SIGNS (WITHIN A CONSERVATION AREA)

At: ALICE IN GROOMINGLAND, 7, BEAST MARKET, HUDDERSFIELD,
HD1 1QF

In accordance with the plan(s) and applications submitted to the Council on 31-Jul-2024. The reasons for the Council's decision to refuse consent for the development are:

1. The proposed advertisements, by virtue of their siting, materials, scale, design and nature of illumination, would create an overly cluttered frontage as a result of the extent of vinyl proposed to the glazing and see the introduction of a fascia sign that would have an incongruous appearance that fails to reflect the design and style of the building and wider locality with the artificial lighting of this sign leading to additional visual harm. The advertisements would have a harmful impact upon the visual amenities and heritage significance of the site and local area, crating strident and discordant features. To permit such development would be contrary to Policies LP24 and LP35 of the Kirklees Local Plan, policies within Chapters 12 and 16 of the National Planning Policy Framework and the requirements of section 16(2) of the Planning (Listed Building and Conservation Area) Act.

Plans and Specifications Schedule: -

Pursuant to article 35 (2) of the Town and Country Planning (Development Management Procedure) Order 2015 and guidance in the National Planning Policy Framework, the Local Authority have, where possible, made a preapplication advice service available, complied with the Kirklees Development Management Charter 2015 and otherwise actively engaged with the applicant in dealing with the application.

The case officer entered into negotiation with the applicant, providing a copy of the consultation response from KC Conservation and Design.

In response to the case officer's correspondence, the applicant confirmed that they wanted the application to be determined on the basis of the information as submitted and that they did not wish to submit any amended plans.

Development within a Coal Mining Area

DEVELOPMENT HIGH RISK AREA - INFORMATIVE NOTE

The proposed development lies within an area that has been defined by the Coal Authority as containing coal mining features at surface or shallow depth. These features may include: mine entries (shafts and adits); shallow coal workings; geological features (fissures and break lines); mine gas and former surface mining sites. Although such features are seldom readily visible, they can often be present and problems can occur, particularly as a result of new development taking place.

Any form of development over or within the influencing distance of a mine entry can be dangerous and raises significant land stability and public safety risks. As a general precautionary principle, the Coal Authority considers that the building over or within the influencing distance of a mine entry should be avoided. In exceptional circumstance where this is unavoidable, expert advice must be sought to ensure that a suitable engineering design which takes into account all the relevant safety and environmental risk factors, including mine gas and mine-water. Your attention is drawn to the Coal Authority Policy in relation to new development and mine entries available at:

www.gov.uk/government/publications/building-on-or-within-the-influencing-distance-of-mine-entries

Any intrusive activities which disturb or enter any coal seams, coal mine workings or coal mine entries (shafts and adits) requires a Coal Authority Permit. Such activities could include site investigation boreholes, excavations for foundations, piling activities, other ground works and any subsequent treatment of coal mine workings and coal mine entries for ground stability purposes. Failure to obtain a Coal Authority Permit for such activities is trespass, with the potential for court action.

If any coal mining features are unexpectedly encountered during development, this should be reported immediately to the Coal Authority on 0345 762 6848. Further information is available on the Coal Authority website at:

www.gov.uk/government/organisations/the-coal-authority

The application has been publicised by notice(s) in the vicinity of the site. It is respectfully requested that the notice(s) now be removed and responsibly disposed of to avoid harm to the appearance of the area

If the applicant is aggrieved by the decision of the Local Planning Authority to refuse listed building consent for the proposed works, or to grant consent subject to conditions, he/she may, by notice served within six months of the date of issue of this notice, appeal to the Secretary of State for the Environment in accordance with Sections 20-21 of the Planning (Listed Buildings and Conservation Areas) Act 1990. Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at [the Planning Inspectorate website](http://theplanninginspectorate.gov.uk). Further information on the Planning Appeal process can be found online at [the Planning Inspectorates website](http://theplanninginspectorate.gov.uk). You must use the correct Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the type of application that the appeal relates to so they can send you the appeal form you require. The Secretary of State has power to allow a longer period for the giving of a notice of appeal and he will exercise his power in cases where he is satisfied that the applicant has deferred the giving of notice because negotiations with the Local Authority in regard to the proposed works are in progress.

Please note, only the applicant possesses the right of appeal.

An important part of improving our service is to review your feedback on the way that we have dealt with your planning application(s). Please take a couple of minutes to email your comments to dc.admin@kirklees.gov.uk so that we can work on continually improving our customer service. Thank you.

Dated: 25-Sep-2024
